PART IV

TAX LIABILITY AND LEVY

Tax Liability

5.(1) This Law applies to all interests in reserve lands, and every transferee is subject to tax at the time of application for registration of a taxable transfer in respect of an interest in accordance with this Law.

- (2) Except where an exemption applies as provided in Part V, a tax
 - (a) is levied and imposed on an interest in reserve lands at the time of the application for registration of a taxable transfer relating to that interest; and
 - (b) must be paid by the transferee in accordance with this Law.

- (3) A person who is a transferee of a taxable transfer under this Law is liable for the tax even if
 - (a) that person is also liable to pay taxes imposed under other property taxation laws of the First Nation; or
 - (b) the interest acquired by a co-transferee of the taxable transfer is exempt from tax under this Law.
- (4) Where there is more than one (1) transferee in respect of a taxable transfer, each transferee is jointly and severally liable to the First Nation for the tax imposed under this Law.
- (5) Taxes are due and payable under this Law notwithstanding any proceeding initiated or remedy sought by a taxpayer respecting those taxes, including without limitation respecting the assessment of taxes, the applicability of an exemption, or the taxpayer's liability to taxation.

Tax Payment and Filing Return

- 6.(1) On application for registration of a taxable transfer in the registry, the transferee must
 - (a) pay the tax in accordance with this Law; and
 - (b) file a completed Return in accordance with this Law, whether or not the taxable transfer is exempt from tax under this Law.
- (2) The registry must refuse to accept an application for registration of a taxable transfer if
 - (a) the transferee does not pay the tax owing at the time of registration;
 - (b) the transferee does not file a completed Return; or
 - (c) the PTT administrator or the registry staff have reasonable grounds to believe that the Return is incomplete, or the transferee does not qualify for an exemption being claimed on the Return.
- (3) Payment of taxes must be made by cheque, money order or electronic transfer.
- (4) Payments by cheque or money order must be made payable to Shxwhá:y Village, and payments by electronic transfer must be made as directed by the PTT administrator.
- (5) The First Nation must issue a receipt to the taxpayer for taxes paid under this Law.

Payment of Estimated Tax

- 7.(1) Despite section 6, where the amount of tax owing on a taxable transfer cannot be determined on the registration date because an appraisal or other valuation information is required to determine the fair market value of the taxable transfer, the PTT administrator may, on the request of the transferee,
 - (a) estimate the tax owing using the best information available to the PTT administrator on the registration date; and
 - (b) authorize the registry to accept the application for registration of the taxable transfer on payment by the transferee of the PTT administrator's estimate of the tax owing.
- (2) Where a transferee makes a payment of estimated tax owing under subsection (1), the PTT administrator must, on receipt of the appraisal or other valuation information, determine the tax owing on the taxable transfer.
- (3) Despite subsection (2), if the transferee was required to provide the appraisal or other valuation information and the transferee does not provide the information within the required time, the PTT administrator must determine the tax owing on the taxable transfer on the registration date, based on the best information available to the PTT administrator at the time of the determination under this subsection.
- (4) Where the PTT administrator makes a determination of tax owing under subsection (2) or (3), the PTT administrator must deliver a Notice of Property Transfer Tax Assessment to the transferee and section 32 applies.

- (c) three percent (3%) of that portion of the fair market value that exceeds two million dollars (\$2,000,000); and

- (a) where the subject matter of the taxable transfer includes only residential property, the fair market value of the taxable transfer; and

(3) If a transferee

- (a) applies to register a taxable transfer, and
- (b) within six (6) months after the application referred to in paragraph (a) applies to register one or more additional taxable transfers respecting the same interest,

the tax owing on the taxable transfer referred to in paragraph (b) must be calculated based on the total fair market value of the taxable transfers referred to in paragraphs (a) and (b) as if all the taxable transfers referred to in paragraphs (a) and (b) were a single taxable transfer.

(4) If

- (a) a transferee applies to register a taxable transfer, and
- (b) one or more related individuals of the person referred to in paragraph (a) apply, as transferees, at the same time as or within six (6) months after the application referred to in paragraph (a), to register one (1) or more taxable transfers respecting the same interest for which the transferor is not the person referred to in paragraph (a),

the tax owing must be calculated based on the total fair market value of the taxable transfers referred to in paragraphs (a) and (b) as if all those taxable transfers were a single taxable transfer, and the transferees referred to in paragraphs (a) and (b) are jointly and severally liable to pay the total tax owing.

(5) If

- (a) a transferee that is a corporation (in this subsection and subsection (6) called the "corporate transferee") applies for registration of a taxable transfer, and
- (b) one or more corporations associated with the corporate transferee apply, as transferees, at the same time as or within six (6) months after the application referred to in paragraph (a), for registration of one or more taxable transfers respecting the same interest for which the transferor is not the corporate transferee,

the tax owing on the taxable transfers must be calculated based on the total fair market value of the taxable transfers referred to in paragraphs (a) and (b) as if all those taxable transfers were a single taxable transfer, and the transferees referred to in paragraphs (a) and (b) are jointly and severally liable to pay that total tax.

(6) For the purposes of subsection (5), a corporation is associated with a corporate transferee if the corporation and the corporate transferee are associated, within the meaning of section 256 of the *Income Tax Act*, on the registration date of the taxable transfer referred to in subsection (5).

Tax Return

9. A Return must be dated and certified

- (a) if no exemption is claimed, by the transferee or a person with actual authority to certify the Return on behalf of the transferee;

- (c) if an exemption is claimed and the transferee is a corporation, by a person who has personal knowledge of the matters certified and actual authority to certify the return on behalf of the transferee.

Correcting Transfer

10.(1) Despite section 8, the tax payable for a correcting transfer is the tax payable determined under that section as if the fair market value of the taxable transfer were determined on the registration date of the original transfer.

(2) On the registration of a correcting transfer, the amount of tax paid by a transferee in respect of the original transfer is deemed to be tax

“qualifying value”, in respect of an interest in reserve lands, means \$500,000.

First-Time Home Buyer – Exemption Qualifications

15.(1) A transferee who applies for registration of a taxable transfer of a qualifying property is exempt from taxation under this Law, subject to subsection (2), if

(a) the taxable transfer is referenced in paragraph (a) or (b) of the definition of “taxable transfer” in subsection 2(1);

(2) If a transferee is not entitled on the registration date to an exemption under section 15 only because the transferee does not meet a requirement set out in section 14 of “first-time home buyer” on the registration date, the transferee may apply to the PTT administrator under subsection (3) for a refund of the tax paid on the taxable transfer by the transferee if

(a) the transferee meets the requirements of paragraph (a) of that definition on or before the first anniversary of the registration date; and

(b) the transferee makes the application for a refund within eighteen (18) months after the registration date.

(3) To claim a refund under subsection (1) or subsection (2), a transferee must provide to the PTT administrator

(a) a written application for a refund, in the form required by the PTT administrator, signed by the transferee;

(b) a claim for the exemption in the form required by the PTT administrator; and

(c) any additional information or evidence necessary to satisfy the PTT administrator that the applicant is entitled to claim the exemption.

(4) On receiving an application under subsection (1) and additional information under subsection (3), the PTT administrator must,

(a) on being satisfied that the transferee would have qualified for an exemption under section 15 on the registration date, pay to the transferee a refund of the tax paid by the transferee equivalent to the amount of the tax exemption had the application for the exemption been made on the registration date; or

(b) if not satisfied that the transferee would have qualified for an exemption under section 15 on the registration date, refuse the application and provide a written notice to the transferee stating the reasons for the refusal.

(5) On receiving an application under subsection (2) and additional information under subsection (3), the PTT administrator must,

(a) on being satisfied that the transferee would have qualified for an exemption under section 15 on the registration date but for the transferee’s failure to meet a requirement set out in section 14 of “first-time home buyer” on that date, pay to the transferee a refund of the tax paid by the transferee equivalent to the amount of the tax exemption had the transferee met the requirement on the registration date; or

(b) if not satisfied that the transferee met that requirement on or before the first anniversary of the registration date, refuse the application and provide a written notice to the transferee stating the reasons for the refusal.

(6) A notice given under paragraph (4)(b) or (5)(b) is deemed to be a Notice of Property Transfer Tax Assessment for the purpose of allowing the taxpayer to make a Request for Reconsideration under this Law.

First-Time Home Buyer – Unqualified Transferee

18.(1) The PTT administrator must, after the first anniversary of the registration date, confirm with each transferee who has obtained an exemption under section 15 or a refund under section 17 that the requirements in section 16 have been met.

(2) Where the PTT administrator determines that a transferee who has obtained an exemption under section 15 or a refund under section 17

- (a) did not qualify for the exemption on the registration date, or
- (b) fails, refuses or ceases to comply with section 16,

the PTT administrator must deliver a Notice of Assessment to the transferee and the transferee must pay to the First Nation the tax that would have been owing by the transferee had the transferee not received the exemption or refund, plus interest calculated on the tax from the registration date and any penalty assessed under section 39.

(3) Subsection (2) does not apply where a transferee does not comply with section 16 only because

- (a) the transferee dies before the first anniversary of the registration date; or

(2) A transferee who is not entitled on the registration date to an exemption under section 20 because the transferee is not a qualifying individual on that date may apply to the PTT administrator for a refund of

the tax paid on the registration of the transaction by the transferee if

(a) the transferee becomes a qualifying individual on or before the first anniversary of the registration date; and

(b) the application for the refund is made within eighteen (18) months after the registration date.

(b) if not satisfied that the transferee would have qualified for an exemption under section 20 on the registration date, must refuse the application and provide the transferee with written notice stating the reasons for the refusal.

(4) On receiving an application under subsection (2), the PTT administrator,

(a) if satisfied that the transferee

(ii) became a qualifying individual on or before the first anniversary of the registration date,

must refund that portion of the amount of tax paid by the transferee that would have been exempted under section 20 had the transferee been a qualifying individual on the registration date; and

(a) the transferee is a qualifying individual on the registration date or becomes a qualifying individual on or before the first anniversary of the registration date;

(b) before the first anniversary of the registration date, the transferee establishes a residential improvement on the qualifying property

(i) that the transferee inhabits, as the transferee's principal residence,

(A) beginning at the time the residential improvement is completed, and

(B) subject to subsection (2), continuing to a date that is not earlier than the first anniversary of the registration date, and

- (a) the transferee dies; or
- (b) the qualifying property is transferred by the transferee pursuant to a written separation agreement or a court order under a federal, provincial or First Nation enactment relating to the division of matrimonial property.

(a) if satisfied that

(i) the qualifying property was, on the registration date, a qualifying property that did not contain a residential improvement, and

(ii) the requirements for the refund set out in subsection (1) have been met,

must refund the portion of the amount of tax paid by the transferee that is equivalent to the amount of the exemption to which the transferee would have been entitled under section 20 had the qualifying property contained a residential improvement meeting the requirements in subsection 20(1); or

(b) if not satisfied that the requirements for the refund set out in subsection (1) have been met, must refuse the application and provide the transferee with written notice stating the reasons for the refusal.

(d) fails to inhabit the residential improvement referred to in section 21 as the transferee's principal residence as required by that section.

(2) A transferee referred to in subsection (1) must pay to the First Nation tax in the same amount that the transferee would have been obliged to pay under this Law had the transferee not received the exemption or refund.

(3) Where the PTT administrator determines that subsection (1) applies to a transferee, the PTT administrator must deliver a Notice of Property Transfer Tax Assessment to the transferee and the transferee must pay to the First Nation the tax that would have been owing by the transferee had the transferee not received the exemption or refund, plus interest calculated on the tax from the registration date and any penalty assessed under section 39.

(4) A transferee not referred to in subsection (1) who has obtained an exemption under section 20 or a refund under section 22 or 23 for an amount greater than the amount to which the transferee is entitled under this Law must pay to the First Nation as a tax liability the amount by which the exemption or refund received exceeded the exemption or refund to which the transferee was entitled, plus interest calculated on the tax from the registration date and any penalty assessed under section 39.

(5) Subsections (1) to (4) do not apply to a transferee who has obtained an exemption under section 20 or a refund under section 22 if the transferee does not comply with section 21 only because, before the first anniversary of the registration date,

25. Despite sections 14 to 24, a transferee is not entitled to and must not apply for both a first-time home buyers' exemption or refund and a new housing exemption or refund in respect of the same taxable transfer.

PART VI

- (b) examine any interest in reserve lands an examination of which may, in the person's opinion, assist in determining the accuracy of a Return or a claim for an exemption, information that is or should be in the Return or the claim for an exemption, or the amount of tax payable under this Law.

(2) If a record has been inspected or produced under this section, the person by whom it is inspected or to whom it is produced may make copies of that record.

(3) A person must not obstruct a person doing anything that he or she is authorized by this section to do.

PART VII

REFUNDS

Refund of Taxes Paid

29.(1) If a person has paid tax pursuant to a Notice of Property Transfer Tax Assessment and, as a result of

- (a) a decision of the PTT administrator under section 33, or
- (b) an order of the court under section 34,

the tax payable is less than the amount actually paid, the PTT administrator must refund the excess tax paid, including interest on the amount overpaid calculated in accordance with subsection (4).

- (2) If, after a person has paid tax under section 6,
 - (a) the person withdraws the application for registration, or
 - (b) the application for registration is rejected and not resubmitted,

the PTT administrator must refund the tax paid, including interest calculated in accordance with subsection (4).

(3) If a person is deemed to have paid tax in respect of a correcting transfer and the tax payable is less than the amount deemed to have been paid, the PTT administrator must refund the overpaid tax, including interest on the amount overpaid calculated in accordance with subsection (4).

(4) Where interest is payable on a refund of taxes under this Law, the PTT administrator must calculate the interest payable as follows:

- (a) interest accrues from the date that the taxes were originally paid to the First Nation;
- (b) the interest rate during each successive three (3) month period beginning on January 1, April 1, July 1 and October 1 in every year is two percent (2%) below the prime lending rate of the principal banker to the First Nation on the 15th day of the month immediately preceding that three (3) month period;
- (c) interest will not be compounded; and

- (3) For the purposes of paragraph (2)(a), if the person who paid the amount claimed is a corporation,

the application must be signed by an authorized signatory of the corporation.

(4) Where the PTT administrator receives an application for a refund under this section and is satisfied that person paid an amount as tax in circumstances where there was no legal obligation to pay the amount as tax, the PTT administrator must refund that amount to the person entitled to it, without interest.

(5) As a limitation on subsection (4), the PTT administrator must not provide a refund for an amount paid more than two (2) years before the date on which the application for a refund is submitted under paragraph (2)(a).

(6) Where the PTT administrator determines that a refund is not payable under this section, the PTT administrator must give a written notice to the transferee stating the reasons a refund is not payable and the notice is deemed to be a Notice of Property Transfer Tax Assessment for the purpose of allowing the taxpayer to make a Request for Reconsideration under this Law.

Recovery of a Refund Wrongly Obtained

31.(1) If a refund is made under this Law and the PTT administrator subsequently determines that the person was not entitled to the refund, or was entitled only to a refund in a lesser amount, the amount of the refund to which the person was not entitled is deemed to be tax imposed by section 6 which was required to have been paid by the person on the date the refund was made to the person.

(2) Where the PTT administrator makes a determination under subsection (1), the PTT administrator must give a Notice of Property Transfer Tax Assessment to the person stating the reasons the person was not entitled to the refund, or was entitled only to a refund in a lesser amount, and the amount of taxes payable, including interest and penalties where section 39 applies.

PART VIII

ASSESSMENT, RECONSIDERATION AND APPEAL

Tax Assessment by PTT administrator

32.(1) The PTT administrator may determine, in respect of a taxable transfer, and on information available to the PTT administrator,

- (a) the fair market value of a taxable transfer;
- (b) the applicability of an exemption claimed under this Law; and
- (c) the tax owing by a transferee under this Law.

(2) If the PTT administrator determines that

- (a) the fair market value indicated on a Return is not correct,
- (b) an exemption claimed by a transferee is not applicable, or
- (c) for any reason a transferee has not paid the correct amount of tax,

the PTT administrator must make a tax assessment and deliver a Notice of Property Transfer Tax Assessment to the transferee.

(3) The Notice of Property Transfer Tax Assessment must set out, as applicable,

- (a) the name and address of the transferee;
- (b) a description of the interest in reserve lands;
- (c) the PTT administrator's determination of the fair market value of the taxable transfer;

(4) The delivery of a Notice of Property Transfer Tax Assessment by the PTT administrator constitutes a statement of and demand for payment of the taxes where taxes are owing.

(5) Where a Notice of Property Transfer Tax Assessment indicates an overpayment of taxes, the PTT administrator must refund any excess taxes that have been paid, in accordance with this Law.

(6) Where a Notice of Property Transfer Tax Assessment indicates taxes owing, the taxes are due and payable within thirty (30) days after the date shown on the Notice of Tax Assessment, whether or not a taxpayer delivers a Request for Reconsideration in respect of the tax assessment.

(7) Subject to being varied on reconsideration, a Notice of Property Transfer Tax Assessment is valid and binding despite any error, defect, omission, or error in procedure.

(8) Except as provided in subsections (9) to (12), the PTT administrator must issue a Notice of Property Transfer Tax Assessment within one (1) year after the registration date of a taxable transfer.

(9) Where a claim for an exemption is made under paragraph 12(2)(g), the PTT administrator must issue a Notice of Property Transfer Tax Assessment within twenty-four (24) months after the date of the first transfer after the subdivision.

(10) Where a claim for an exemption is made under section 15 or 20, or an application for a refund is made under any of sections 17, 22 or 23, the PTT administrator must issue a Notice of Property Transfer Tax Assessment within twenty-four (24) months after the registration date of the taxable transfer relating to the exemption or refund.

(11) Despite the time limitations set out in this section, where the PTT administrator determines that a person has made any misrepresentation that is attributable to neglect, carelessness or willful default, or has committed any fraud, in supplying any information under this Law, in claiming an exemption or applying for a refund, or in omitting to disclose any information, or the person has failed to deliver a Return required by this Law, the PTT administrator may make a tax assessment and deliver a Notice of Property Transfer Tax Assessment to that person at any time.

Reconsideration of Tax Assessment

33.(1) A transferee who receives a Notice of Property Transfer Tax Assessment may request that the PTT administrator reconsider that tax assessment by delivering a Request for Reconsideration to the PTT administrator within sixty (60) days after the date shown on the Notice of Tax Assessment.

(2) A Request for Reconsideration must include the reasons for the request and set out all relevant facts, including an estimate of the fair market value if that information is relevant to the request.

(3) On receipt of the Request for Reconsideration, the PTT administrator must consider the request and, within thirty (30) days after receiving the Request for Reconsideration, either

- (a) confirm the assessment or the refusal to provide a refund, as the case may be; or
- (b) vary the assessment or provide a refund, as the case may be.

(4) Where, under subsection (3), the PTT administrator confirms the assessment or the refusal to provide a refund, the PTT administrator must give a written notice of that decision to the transferee.

(5) Where, under paragraph (3)(b), the PTT administrator decides to vary an assessment or provide a

refund, the PTT administrator must determine the taxes and interest owing on the taxable transfer, if any, or the refund payable, as the case may be, and deliver an amended Notice of Property Transfer Tax Assessment to the transferee reflecting the decision.

(6) The PTT administrator may extend the time limit for a transferee to deliver a Request for Reconsideration where

(a) an application for extension is made before the expiry of the time allowed under subsection (1); and

(b) the application contains the reason for the extension and specifies the period of time applied for.

(7) A Request for Reconsideration may not be made in respect of a reconsideration decision, or in respect of an amended Notice of Property Transfer Tax Assessment given under subsection (5).

Appeal to Court

34.(1) An appeal lies from a decision of the PTT administrator under section 33 to a court of competent jurisdiction.

(2) An appeal under this section must be commenced within sixty (60) days of the notice of the PTT administrator's decision.

(3) An appeal under this section is a new hearing that is not limited to the evidence and issues that were before the PTT administrator.

(4) The court may dismiss the appeal, allow the appeal, vary the decision from which the appeal is made or refer the decision back to the PTT administrator for reconsideration.

(5) An appeal lies from a decision of the court to the appellate court with leave of a justice of that court.

PART IX

(d) all tax payments made and receipts issued;

(e) all requests for reconsideration received by the PTT administrator and the decision made respecting each request;

(f) all refund applications received and all refunds paid; and

(g) all enforcement proceedings taken.

36.(1) On receipt of a written request and payment of the fee set out in subsection (2), the PTT administrator must issue a Tax Certificate showing whether taxes have been paid in respect of a taxable transfer, and if not, the amount of taxes outstanding.

(2) The fee for a Tax Certificate is twenty-five dollars (\$25) for each taxable transfer.

PART X

PENALTIES AND INTEREST

Interest

37. Where this Law provides for the payment of interest on unpaid taxes, the interest accrues on the unpaid taxes at the rate of fifteen percent (15%) per year until paid or recovered, and accrued interest is, for all purposes, deemed to be part of the taxes.

Penalty

38. Where this Law provides for a penalty to be added to unpaid taxes, a one-time penalty of ten percent (10%) of the portion of the taxes that remain unpaid must be added to the amount of the unpaid taxes and the amount added is, for all purposes, deemed to be part of the taxes.

Penalty and Interest in Certain Situations

39. If the PTT administrator determines that a transferee provided information that is false or misleading

- (a) in support of an exemption from tax under this Law,
- (b) in support of an application for a refund under any of sections 17, 22, 23 or 30, or
- (c) relating to the fair market value of a taxable transfer,

the transferee must pay, in addition to the taxes owing on the taxable transfer, a penalty on the unpaid taxes added as of the registration date and interest calculated from the registration date.

Penalty and Interest Where Notice of Assessment Not Paid

40.(1) Except where a penalty is applied under section 39, a penalty must be added to taxes that remain unpaid on the day after the due date shown on a Notice of Tax Assessment.

(2) Except where interest is applied under section 18, 24 or 39, interest must accrue on taxes that remain unpaid on the day after the due date shown on a Notice of Tax Assessment, starting on the first day after the due date until the date the taxes are actually paid.

PART XI

COLLECTION AND ENFORCEMENT

Recovery of Unpaid Taxes

41.(1) Taxes levied under this Law are a debt owed to the First Nation, recoverable by the First Nation in a court of competent jurisdiction, in a proceeding before the civil resolution tribunal, or in any manner permitted by law.

(2) The use of one method of collection and enforcement does not prevent seeking recovery by one or more other methods.

(3) A copy of a Notice of Property Transfer Tax Assessment that refers to the taxes payable by a person, certified as a true copy by the PTT administrator, is evidence of that person's debt for the taxes.

(4) Costs incurred by the First Nation in the collection and enforcement of unpaid taxes

- (a) are determined in accordance with Schedule VII; and
- (b) are payable by the debtor as unpaid taxes.

Notice of Enforcement Proceedings

42.(1) Before taking enforcement proceedings for the recovery of taxes, the PTT administrator must give written notice to the taxpayer of the intention to enforce payment.

(2) Failure to give notice under subsection (1) does not affect the validity of proceedings taken for the recovery of taxes or money to be collected as taxes under this Law.

Creation of Lien

43.(1) Unpaid taxes are a lien on the interest in reserve lands to which they pertain that attaches to the interest in reserve lands and binds subsequent holders of the interest.

(2) The PTT administrator must maintain a list of all liens created under this Law and file a notice of the lien in the registry.

(3) A lien listed under subsection (2) has priority over any unregistered or registered charge, claim, privilege, lien or security interest in respect of the interest in reserve lands.

(4) The PTT administrator may apply to a court of competent jurisdiction to protect or enforce a lien under subsection (1) where the PTT administrator determines such action is necessary or advisable.

(5) On receiving payment in full of the taxes owing in respect of which a lien was created, the PTT administrator must register a discharge of the lien without delay.

(6) Discharge of a lien by the PTT administrator is evidence of payment of the taxes with respect to the interest.

(7) A lien is not lost or impaired by reason of any technical error or omission in its creation or recording in the list of liens.

PART XII

SCHEDULE I
FAIR MARKET VALUE DETERMINATION

Interpretation

1. In this Schedule,

- (a) a reference to the “rent” does not include an amount that is separately calculated under a lease and is payable to a lessor in reimbursement for
 - (i) taxes, or
 - (ii) reasonable expenses relating to the operation of a multi-tenant premises of which the demised interest in reserve lands forms a part;
- (b) “appraisal” means an appraisal conducted by an independent appraiser who is designated as an Accredited Appraiser Canadian Institute by the Appraisal Institute of Canada or designated, registered or licensed as a certified appraiser under the laws of the Province of British Columbia, as applicable; and
- (c) “assessed value” means the most recent assessed value of an interest in reserve lands determined in accordance with the First Nation’s assessment law made under subparagraph 5(1)(a)(i) of the Act.

Determination of Lease Term and Life Estate Term

2.(1) Subject to section 6, and subsections (2), (3) and (5), the term of a lease is the sum of

- (a) the number of years for which a transferee has the right to occupy the demised interest in reserve lands; and
- (b) the maximum number of years not counted under paragraph (a) that, by the exercise of rights or options to renew or extend the lease, the transferee may occupy the demised interest in reserve lands.

(2) Subject to subsection (3), the term of a lease is the unexpired portion of the term determined under subsection (1) on the registration date.

(3) If the lease is a time-share or fractional ownership plan, the term of the lease must be determined by adding together the number of years during which the transferee may, for any part of a year, occupy the interest.

(4) Subject to subsection (5), the term of a life estate is the number of years of life expectancy based on Table 3 remaining to the holder of the life estate on the registration date of the life estate in the registry.

(5) Where the term of a lease or life estate would otherwise be expressed as a fraction of a year or as a number of years plus a fraction of a year, the term must be rounded up to the next whole number.

Fair Market Value of Prepaid Leases

3.(1) The fair market value of a transfer involving the granting or transfer of a prepaid lease is the amount of the purchase price paid by the transferee in money and in other consideration where

- (a) the rent under the lease is not subject to adjustment or renegotiation and has been paid for the term of the lease before the registration date or will be paid within one (1) year of that date; and
- (b) the lessor and the transferee deal with each other at arm’s-length.

(2) If a lessor and a transferee are not at arm’s-length, the fair market value is the amount that would have been paid if the leasehold interest had been sold on the registration date in the open market by a willing seller to a willing purchaser free of any trust and unencumbered by a judgment for the payment of money, or a mortgage, or any other financial instrument that secures the payment of money or the performance of an obligation.

Fair Market Value of Lease Having a Term Not Exceeding 30 Years

4.(1) The fair market value of a transfer involving the grant or transfer of a lease

(a) to which section 3 does not apply,

(b) the term of which does not exceed thirty (30) years, and

(c) where the lessor and the transferee deal with each other at arm's-length,

is, subject to an election under subsection (2), the amount determined in accordance with the following formula:

$$\text{LSC} + (\text{ARP} \times \text{PVF})$$

where

LSC = any lump sum consideration paid by the transferee for the grant or transfer of the lease, including for any improvements on the leasehold interest;

ARP = the annual rent payment to be made during the last year for which rents are fixed pursuant to a lease; and

PVF = the present value factor set out in Column 2 of Table 2 that is opposite the number of years in Column 1 that corresponds to the term of the lease.

(2) The transferee may elect to calculate the fair market value of the lease under section 5.

Fair Market Value of Other Leases

5.(1) Subject to subsection (2), the fair market value of a lease to which section 4 does not apply is the amount determined in accordance with the following formula:

$$\text{VSI} \times \text{P}$$

where

VSI = the fair market value of the fee simple interest, including improvements, in the demised interest in reserve lands; and

P = the percentage set out in Column 2 of Table 1 opposite the period in Column 1 that corresponds to the term of the lease.

(2) For the purposes of subsection (1) where part of the improvements on a parcel of land are leased, the fair market value of the demised interest in reserve lands is determined in accordance with the following formula:

$$\frac{\text{VSI} \times \text{P} \times \text{ARADP}}{\text{ARA}}$$

where

VSI = the fair market value of the fee simple interest, including improvements, within which the demised interest in reserve lands is situated;

P = the percentage set out in Column 2 of Table 1 opposite the period in Column 1 that corresponds to the term of the lease;

ARADP = the aggregate rentable area of the demised interest in reserve lands; and

ARA = the aggregate rentable area of the improvements on the land within which the demised interest in reserve lands is situated.

(3) The VSI in subsections (1) and (2) is the assessed value of the leasehold interest in reserve lands, if available.

(4) If an assessed value is not available, the PTT administrator may

(a) determine the VSI using the best available data, which may include assessed values or appraisal data of comparable properties; or

(b) require the transferee to provide an appraisal of the VSI at the transferee's cost.

(5) If the PTT administrator determines the VSI under paragraph (4)(a), the transferee may, within ten (10) days after the PTT administrator advised the transferee of the VSI, elect to provide an appraisal of the VSI to the PTT administrator at the transferee's cost and within an additional twenty-one (21) days or such additional time frame as agreed to by the PTT administrator.

(6) If the transferee provides an appraisal under subsection (5), the PTT administrator must use the VSI determined by the appraisal for the purposes of this section.

Fair Market Value of a Lease Modification Agreement

6.(1) The term of the lease modification agreement for the purposes of this section is the sum of

(a) the term of the lease before extension by the lease modification agreement, calculated under subsection 2(1) without regard to subsection 2(2) from the date the lease agreement was first executed; and

(b) the number of years, applying subsection 2(5), by which the lease is extended by the lease modification agreement.

(2) For the purposes of paragraph (1)(b), options or rights to renew or extend the lease pursuant to the lease modification agreement are deemed exercised to give the maximum possible extension.

(3) Subject to subsection (5), where the term of the lease modification agreement is one hundred (100) years or less, its fair market value is the amount determined in accordance with the following formula:

$$\text{LSC} + (\text{ARP} \times \text{PVF})$$

where

LSC = any lump sum consideration paid by the transferee for the lease modification, including for any improvements on the leasehold interest;

ARP = the annual rent payment to be made during the last year for which rents are fixed pursuant to the lease as extended by the lease modification agreement; and

PVF = the present value factor set out in Column 2 of Table 2 that is opposite the number of years in Column 1 that corresponds to the number of years applicable under paragraph (1)(b).

(4) Where the term of the lease modification agreement exceeds one hundred years (100) years, section 5 applies for the purpose of calculating the fair market value of the lease modification agreement except that "P" equals the percentage in Column 2 of Table 1 that is opposite the period in Column 1 that corresponds to the number of years applicable under paragraph (1)(b).

(5) The transferee may elect to calculate the fair market value of the lease under section 5 as modified by subsection (4).

Fair Market Value of Life Estates

7. The fair market value of a life estate in a lease is the amount determined in accordance with the following formula:

$$\text{VFS} \times \text{P}$$

where

VFS = the fair market value of the leasehold interest determined

- (a) as though the life estate did not exist; and
- (b) under section 3, 4 or 5 as applicable.

P = the percentage in Column 2 of Table 1 that is opposite the period in Column 1 that corresponds to the term of the life estate.

Transfers That Are Not Arm’s-Length

8. Where a transferor and a transferee do not deal with each other at arm’s-length, the PTT administrator may

- (a) use the assessed value; or
- (b) require the transferee to provide with the Return, as applicable and at the transferee’s cost, an appraisal of
 - (i) the valuation required under subsection 3(2),
 - (ii) the ARP under section 4 or section 6 that would be paid on the open market on the registration date by an arm’s-length transferee, or
 - (iii) the VSI under section 5 that would be paid on the open market on the registration date by an arm’s-length transferee.
